

## Long-Term Ramp Closure Scheduled for I-10 HOV Construction Project

**Baldwin Park** – Beginning **Monday, December 4**, the California Department of Transportation (Caltrans) will close the **westbound San Bernardino Freeway (I-10) Puente Avenue on-ramp** as part of the High Occupancy Vehicle lane construction project. Motorists attempting to access I-10 may experience delays and are encouraged to use alternate routes. The ramp closure will remain in effect through February 2018.

Detour signs will be posted. Ames Construction, Inc. is the contractor on this \$110 million project, which will add an HOV lane in each direction of I-10 between Puente Avenue and Citrus Street. This is the second of three projects that upon completion will offer one continuous HOV lane from downtown Los Angeles to San Bernardino County.

For real time freeway traffic information please visit the Caltrans Quickmap, [quickmap.dot.ca.gov](http://quickmap.dot.ca.gov)

Caltrans thanks you for patience and understanding during construction and reminds you to “**Be Work Zone Alert.**”
